

UCLA NIEHS TRAINING GRANT IN MOLECULAR TOXICOLOGY

Postdoctoral Award Application Requirements

I. From the postdoctoral fellow

1. **Completed Application for Traineeship Form**

2a. A description of Career Goals. (Be succinct. Do not exceed one single-spaced page.)

OR

- * 2b. A one page single-spaced report of accomplishments during the current year's support for individuals seeking renewal. (Include all relevant publications. Indicate whether published, in press, or in preparation.)
- * 3. Curriculum Vitae
- * 4. Bibliography of all papers published, in press, or submitted (include copies of relevant manuscripts)
- 5. Graduate school transcripts
- 6. The names, addresses, E-mail addresses, and telephone numbers of at least **two** professional **references** (*excluding preceptor*) from whom letters of recommendations have been requested. It is the applicant's responsibility to ensure that the letters are received by the deadline. Letters should be sent by mail or E-mail to Dr. Oliver Hankinson at:

ohank@mednet.ucla.edu

- * 7. The **Research Project** to be undertaken by the applicant during the period of training. Explain its relevance to the goals of the NIEHS training grant in Molecular Toxicology – be clear and concise; do not exceed three double-spaced pages.

II. From the preceptor

- * 8. A **Letter of Nomination**. This letter must include a statement that the preceptor agrees to the participation of the awardee in the activities of the NIEHS training grant as outlined in the Award Announcement, and include a statement as to his/her approval of the research project proposed for the applicant (see section 7).
- 9. A brief description of the **Overall Research** program in the proposed preceptor's laboratory. (One or two paragraphs is sufficient.)
- * 10. The preceptor's **NIH Biosketch** or CV (not to exceed 5 pages).
- * 11. **NIEHS training grant clearance form.**

*Renewal applications need only provide information for the starred items. **However, postdoctoral renewal applicants must also state how they have fulfilled the requirements for training in professional development skills, including grant writing, career guidance, and laboratory and project management.**

The application material should be submitted electronically **as a single pdf** (except for the letters of reference, which should be sent separately) to ohank@mednet.ucla.edu

For questions concerning the application process, please contact Dr. Oliver Hankinson at ohank@mednet.ucla.edu
