

MSTAR Alumni

2008

Program Site	Name	Home Institution	Mentor	Project
UCLA	John Andrawis	University of Chicago, Pritzker School of Medicine	Liana Apostovola, MD	Cognitive Reserve: 3-Dimensional Mapping of Hippocampal Atrophy in Elderly Patients
UCSF	Ralph Balbino	University of Illinois at Chicago	Theresa Moore, MD	Maintaining Relationships and Quality of Life After Institutionalization for Dementia
UColo	Neil Cella	USCOM	Evelyn Hutt, MD	Utility of Chest X-ray in Nursing Home Acquired Pneumonia
UCLA	Andy Chen	University of Cincinnati, College of Medicine	John Ringman, MD	Differences in Cerebral Activity During Test of Executive Function: fMRI Study of Presymptomatic Familial Alzheimer Disease (FAD) Mutation Carriers
UColo	Kelsey Flint	UColorado, Health Sciences Center	Kerrie Moreau, MD	Abdominal Adiposity, Oxidative Stress and Vascular Endothelial Dysfunction in Pre- and Postmenopausal Women
UCLA	Monica Gill	Eastern Virginia Medical School	Alison Moore, MD	Healthy Living As You Age: Reducing Drinking Among Older Adults
UCSF	William Gordon	Weill Cornell Medical College	Michael Steinman, MD	Do Simplified Models for Predicting Cardiovascular Risk Alter Cholesterol Management?
UColo	Meredith Kenfield	UColorado, Health Sciences Center	Christopher Filley, MD	When Does Memory Loss Mean Dementia? Experiences of a University Dementia Clinic
UCSF	Tess Lang	UCSF	Lennart Mucke, MD; Erik Roberson, MD	Does Tau Modulate NMDA and AMPA Receptor Trafficking and Function in Alzheimer's Disease?
UCSF	Delia Lee	UAMS	Louise Walter, MD	Outcomes of Fecal Occult Blood Testing (FOBT) among Elderly Veterans
UCLA	Richard Lee	Ohio University of Osteopathic Medicine	Lynn Woods, RN, PhD	A Closer Look at Agitation in a Nursing Home
UCLA	Peter Ljubenkov	Temple University, School of Medicine	Harry Vinters, MD	Immunohistochemical Characterization of Tau and A β in the Basal Ganglia and Midbrain of Patients with Alzheimer's Disease
UCLA	Cindy Mi	Case Western Reserve University, Medical School	Jonathan Goldin, MD	Aortic Dimension, Calcification, and Pericardial Thickness in Geriatric Population with History of Smoking
UCLA	Divya Murthy	Ohio State University, College of Medicine	Cathy Lee, MD	Adipokine Levels and Insulin Sensitivity in Postmenopausal Women
UCLA	Helen Nissim	Einstein College of Medicine	Jennifer Anger, MD	Overactive Bladder in Aging Women: A Call for a Symptom Management Approach
UCLA	Deeshali, Patel	Western University of Health Sciences, COMP	Jennifer Martin, PhD	Evaluation of Risk Factors for Sleep Disturbance in Orthopedic Patients during Post-Acute Rehabilitation
UCLA	Kelly Patterson	SUNY Downstate	Daniel Silverman, MD	Relationship of Education Status to Cognition and Cerebral Metabolism
UCLA	William Yoon	Virginia Commonwealth University, School of Medicine	Lillian Min, MD	Validating and Refining the Vulnerable Elders Survey-13
UCLA	Victoria Yung	UCLA, Geffen School of Medicine	David Ganz, MD, PhD	Perceptions of Care vs. Recorded Care in Assessing Care of Vulnerable Elders (ACOVE) Studies
UCLA	Zerlina Wong	Brown University	Benjamin Sun, MD	Can ER Doc Predict the Future? Physicians' Risk Assessment and 14-Day Serious Events in Older Syncope Patients?
