

UCLA Health

Care Extender Internship Program

Important Areas to Know (RR) Reference Guide

The Six Zones:

Zone 100 – East Pod

Zone 200 – Central Pod

Zone 300 - West Pod

Zone 400 - ICU

Zone 500 - (leads to the North Pod)

Zone 600 - North Pod

All room numbers have 4 digits – the first number indicates the floor, the second number indicates the pod or zone, the third and fourth numbers indicate the room number. For example, room 6304 is on the 6th floor, in the West Pod because it is zone 300. Frequently visited places are highlighted in red below.
