

Infant-Pediatric Case History

What is the reason for your visit today?

1. Do you have concerns about your child's hearing?
2. Do you have concerns about your child's speech?
3. Did your baby pass newborn hearing screening?
4. Does anyone in the baby's blood-related family have a hearing loss from the time they were born?
5. Was your baby in the Newborn Intensive Care Unit (NICU)? For how long?
6. Was your baby jaundiced? Did your baby have a blood transfusion for jaundice?
7. Does your baby have a diagnosed syndrome?
8. Does your baby have any neurological problems?
9. Was your baby sick with meningitis?
10. Has your baby ever had a head trauma or skull fracture?
11. Has your child had chemotherapy?
12. Has your child had ear infections?
13. Has your child had ear tubes?

Is there anything else we should know about your child?
